Hello Dan,

The production is currently being processed by our outside vendor. The anticipated production in pdf was supposed to be completed today but given that I am not seeing in my inbox, we expect to receive the pdf production on Tuesday. We will update you as soon as it is ready. Have a great weekend.

Warm Regards,

Frank and Bethelwel,

Per our conversations from a couple of weeks ago, can you please let me know the status of the pending CPRA requests you have with Mr. Riskin re: "planters" ?

We have a similar pending CPRA request with him; I have pushed the expected completion date back to 9/13/19 while I wait to hear back from you. I am hoping to coordinate on this with you so we do not needlessly duplicate efforts.

Thank you,
